

PHOENIX

Cruiser
by PHOENIX USA RV

PHOENIX *Cruiser*

Phoenix USA RV began in 1996 with a desire to provide the most innovative RV possible. Recognizing the need for a motor home that is a little bigger than a traditional class B – The Phoenix Cruiser was carefully engineered so you can enjoy the ride as much as the destination!

With spacious interiors that include a full kitchen and dry bath with designated shower in every motor home, you will enjoy all the amenities that an experienced RVer would demand. Memories do not begin at the destination, they are made along the way. Give yourself the absolute freedom to make each day your own adventure on the road or in the campsite with your new Phoenix Cruiser!

2552 with Sinatra Interior, Natural Hickory Cabinets and Hickory Flooring,

Phoenix Cruiser 2552

The Phoenix Cruiser Rear Bath floorplan offers multiple bedding configuration options. Choose either 2 traditional twins or add the electric bed option to extend one to a double or to extend both to meet in the middle to create a roomy king sleeping area. In the living area, the electric sofa easily converts to reclining loungers for optimal tv viewing and relaxation, as well as a full double bed when the day is over. The full size rear bath comes complete with double door wardrobe. Photos here show the floorplan with the optional Euro Chair in lieu of the optional full wall cabinet. A new option available on all floorplans is the Sanimarin 4 Macerator toilet, developed with the aim of ensuring the same comfortable use on the road as you would have at home.

Electric sofa extended to full size bed

To the right is the standard genuine leather dual power seat sleeper sofa. Above is the optional leather dinette with drawer storage. The dinette features the dream dinette mechanism that will easily convert to a bed. This dinette option is available on the 2552 and 2351D.

2552 with Sinatra Interior, Silver Mist Cabinets and Hickory Flooring,

2400 shown here with Classic Greystone Interior, Hickory Cabinets and Silver Mist Flooring

Phoenix Cruiser 2100 / 2400

The 2100 / 2400 floorplans are compact & easily maneuverable. With lengths 22-24 feet, you will be comfortable driving in the city as well as cruising the countryside. With all the comforts of home, every Phoenix Cruiser includes a full kitchen & dry bath! This is a popular floorplan for the optional Quigley 4x4 conversion.

The 2400, as shown here, offers a generous amount of storage that is unique to a unit of this size.

2351D with Viccaro Interior, Silver Mist Cabinets and Nordic White Flooring,

Phoenix Cruiser 2351D

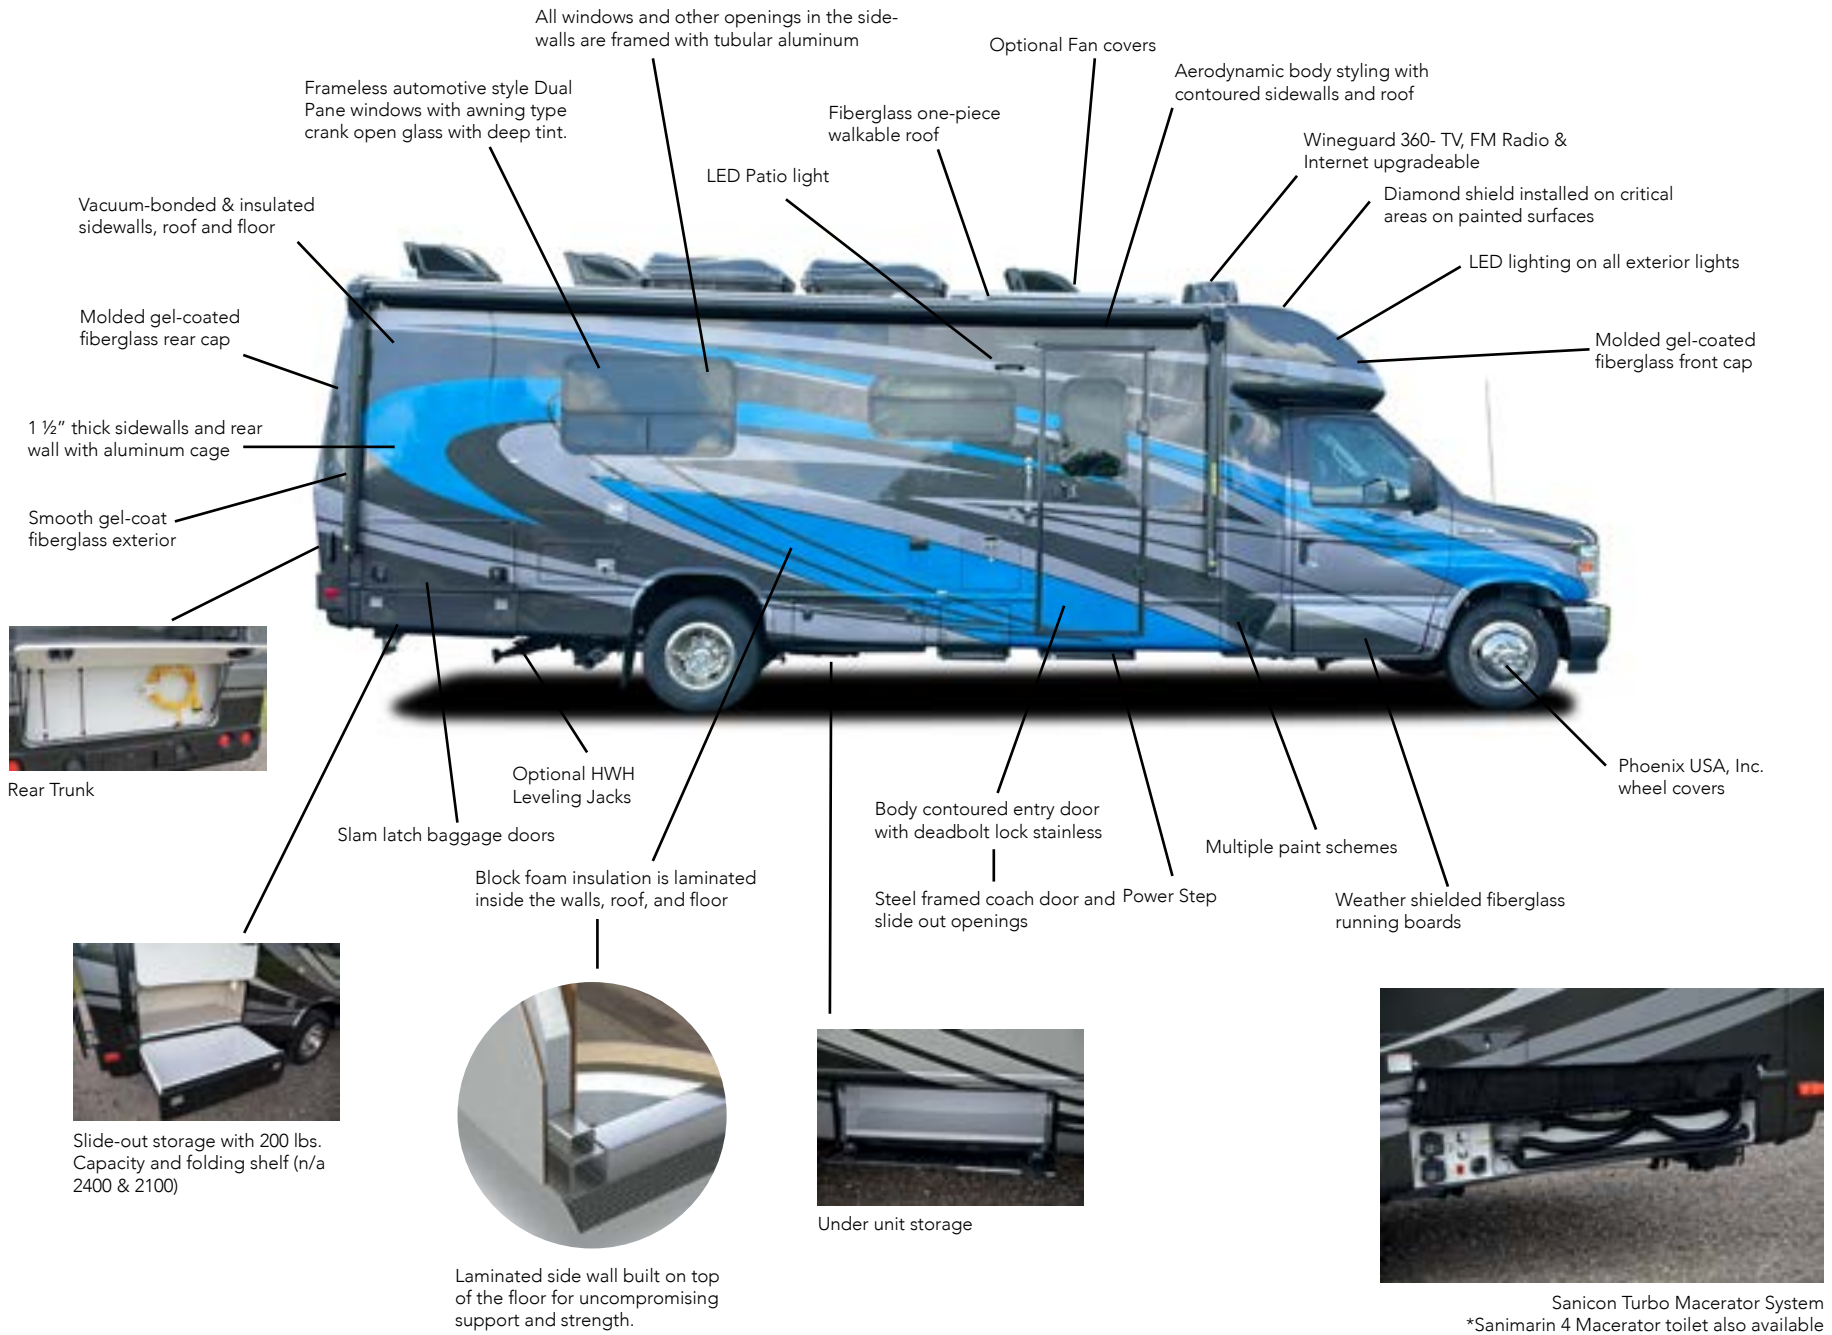

This Slide-Out Queen Bed floorplan has two slide outs that provide a comfortable living space while maintaining a footprint of less than 26'. This floorplan features the Truma Combi, providing a furnace and water heater in one appliance, saving space and weight in your coach.

Optional Visionary Sleeper sofa

Shown with 60x72 bed, Extended length (60x74) mattress also available.

After deciding on the interior that suits your lifestyle, pick an exterior graphic or paint combination. The Phoenix Cruiser exterior comes standard with white gelcoat fiberglass and partial vinyl graphics. You may also choose optional paint, available in either full body or lower body applications, to enhance your travel experience. Our full body paint process is three color, wet sanded, buffed and clear coated to perfection. Diamond Shield is standard on all forward facing painted areas so you will enjoy a beautiful Phoenix Cruiser for years to come. You may even choose your own custom paint color combination to fit our design pattern to truly individualize your Phoenix Cruiser!
